IFSC/ECSC European National Federations

Torino, 03 February 2015

Object: 2015 European Championships Lead & Speed

Dear Athletes, dear National Federation

The IFSC European Council informed us that they have not received any solid candidature to host the 2015 European Championships (ECH), categories Lead and Speed.

Because of this situation, recognizing the importance of such event for all European Athletes and Federations, the IFSC Sport Department decided to consider IFSC World Cup Lead & Speed in Chamonix, July 10-12 2015, counting for the registered European Athletes for the 2015 ECH Lead and Speed.

Therefore, at the end of the event, two awarding ceremonies will take place, one for the World Cup winners, and one awarding the European Champion gold, the silver and bronze medals.

More information will be communicated later in February with other sport information.

In the meanwhile, should you have any question please do not hesitate to contact us at sport@ifsc-climbing.org

Best regards

Wolfgang Wabel
